Defending Your Freedom since 1994

About Us

Alliance Defending Freedom advocates for your right to freely live out your faith. Launched January 31, 1994, ADF's was to ensure that religious freedom did not get lost in the legal system. At the launch meeting, attended by more than 30 Christian leaders, Dr. Bill Bright told a story about a little boy who was lost in a wheat field. The townspeople frantically searched for him to no avail. Finally, one of the searchers suggested they hold hands and walk together across the field. They found the boy, but sadly, not in time to save his life. One of the searchers lamented, "If we had only linked arms sooner..." Christians, like the town, need to unite in order to defend religious freedom before it is too late. Alliance Defending Freedom wants to ensure that your religious freedom does not share the same fate as the boy in the field.
